the second exit onto the 'Inner Ring Road' and keep left. On reaching St Chad's Circus take the fourth exit and travel up Snow Hill to Colmore Circus. At the traffic lights keep to the right and turn right into Colmore Row and Colmore Gate is located immediately on your left at that junction.

Walking from Birmingham

New Street Station:

As you walk through the barriers on leaving the platforms, take the escalator directly in front of you to the upper floor of the precinct and turn left after leaving the escalator.

Walk along the precinct and turn right when you reach the end. You will see a descending ramp in front and this will take you down to street level, into New Street.

Once you are at street level, cross the road and walk along Corporation Street (the ramp should be immediately behind you). You should be able to see Beatties department store on your right-hand side and it is recommended that you cross the road at this point so that Beatties appears on the opposite side of the road.

Continue onwards in the same direction and you will pass the House of Fraser department store on your left-hand side. Take the next left after House of Fraser, into Bull Street, and stay on the left-hand side of the road and continue onwards.

Walk on past the junction of Temple Row (on your left-hand side) and you will eventually approach a walk-through passageway. Walk through the passage

until you reach the end and you will see the entrance to Colmore Gate on your right-hand side. If you approach the main road, you have gone too far.

Car parking: We have a limited number of car parking spaces available at Colmore Gate which can be booked prior to your visit.

Public car parks are within easy walking distance as shown on the map opposite and there are also a number of parking meters in the vicinity.
